Who owns the electricity distribution companies in Pakistan?

All companies are owned by the Government of Pakistan except K-Electric, which was privatized in 2005. Unfortunately, most of the electricity distribution companies in Pakistan are highly inefficient and leads to huge line losses of electricity. The following are the distribution companies (DISCOs) operating in Pakistan:

Who buys electricity in Pakistan?

They buy electricity from producers such as Water and Power Development Authority (WAPDA), GENCOs, PAEC and other private Independent Power Producers (IPPs) and sell it to their respective area customers. All companies are owned by the Government of Pakistan except K-Electric, which was privatized in 2005.
