You're going to travel to Papua New Guinea and you don't know if your electric devices (your computer, mobile phone, battery charger...) will be able to work there? To know if you need a travel plug adapter to go to Papua New Guinea, you have to consider 3 things : the shape of the plugs, the voltage and the frequency of the current delivered ...

PNG Power Ltd would like to assure our customers and the people of Papua New Guinea that it will continue to provide electricity services across the country during this festive season. The front-page headline in the Post-Courier today (Friday, December 15) portrays a misleading message to our valued electricity consumers and stakeholders.
