

Philippines hefei ja solar technology co Ltd

What products does JA Solar offer?

The range offered by the company includes JA Solar monocrystalline solar panels, as well as other accessories for photovoltaic systems, such as silicon wafers, cells, monocrystalline modules, photovoltaic components, inverters, and load-bearing and mounting systems.

What is the capacity of JA Solar?

The overall capacity supplied by the company is 80 GW. JA Solar is the world leader in high-performance photovoltaic products. The company has been rated in the Global Top 500 New Energy Enterprises and Fortune China 500 for several years. The goal of JA Solar is to develop solar systems that benefit customers worldwide.

What is the warranty on JA Solar photovoltaic panels?

JA Solar photovoltaic modules are sold with a 12-year warranty. With JA Solar photovoltaic panels, you are ensured technologically advanced modules combining a high output power, a low LCOE value, very good resistance to mechanical load, and an annual degradation not exceeding 0.55 %, over a period of 25 years.

What is the output power of JA Solar panels?

The JA Solar monocrystalline solar panels found in our range provide an output power of 405, 550, or 460 W. JA TECH is an official distributor of photovoltaic panels manufactured by JA Solar. Become our partner too and get access to all the advantages of mutual collaboration.
