The PM - SURYA GHAR: MUFT BIJLI YOJANA 2024: is the Government of India's national program on Rooftop solar systems to provide affordable electricity access for all. It is also commonly known as Rooftop Solar Scheme or PM Solar Scheme. Prime Minister Shri Narendra Modi on 22 Jan 2024 announced the rooftop solar scheme.

PM Solar Scheme is another agency whose objective is to increase production of solar power to both individuals and businesses by offering financial subsidies for the same. The initiative aims at both the rooftop solar and utility-scale solar projects with an aim of expanding access to renewable energy at industrial levels.

ChallengeWith just three percent of its population having reliable access to power, the Central African Republic has one of the lowest rates of electrification in the world. In addition to limiting the quality of life, this lack of electricity restrains economic growth, as well as access to telecommunications services.
