Polish Energy Storage Association (PSME) and National Chamber of Energy Clusters (KIKE) signed a letter of intent. During the meeting, a decision was made to tighten ...

Harmonisation of definitions of "energy storage" and " energy storage systems" in the draft solves interpretation problems stemming from inconsistencies in these definitions across different legal acts. Redefinition of an "end user" made it possible to exclude energy used for energy storage purposes from the end consumption category.

Polish Energy Storage Association (PSME) and National Chamber of Energy Clusters (KIKE) signed a letter of intent. During the meeting, a decision was made to tighten cooperation and intensify activities for the development of renewable energy in Poland. The beginning of February 2021 is an important time for the domestic energy sector.
