This system was installed in Kilcullen, Co.Kildare. The customer had an ideal south facing roof space available. Here we used 14 x 415W PV modules. We also installed a Solar IBOOST+ hot water diverter for any solar excess. The customer was very impressed with the install overall & looks forward to both their reduced energy bills and free hot water.

We also understand that every traveller is unique, so you'll find helpful advice for LGBT visitors, insights on accessibility for disabled travellers, and much more. Preparing for your adventure is part of the experience, and with our resources at your fingertips, you'll feel ready to make the most of your time in the Faroe Islands.
