

Our three completed projects in the regions of Znojmo and Kysuce are to this day the only ones in the country, although we do have many more prepared, in various stages of completion. The energy and climate plan by the Ministry of Economy of SR for the new decade signalizes that the number of wind power plants in Slovakia is going to increase.

1 · Czech billionaire Daniel Kretinsky's energy holding company EPH has signed a deal to acquire Italian group Enel's stake in Slovak electricity producer Slovenske Elektrarne, the companies said late ...

Last week PowerPlus Energy exhibited our brand new range of Battery Energy Storage Systems (BESS) products at the All-Energy Australia Exhibition. Our fully integrated Australian-made BESS are designed for modularity and scalability for medium to large scale projects. They're equipped with our newest LiFe premium battery, offering you 15% ...

The Slovak government will cap energy prices for households next year at a cost of 6 billion euros (\$6.25 billion) through subsidies and a contract with the country's main electricity supplier ...

2 · PRAGUE - Energy company EPH Group owned by Czech billionaire Daniel Kretinsky said on Dec 18 it would acquire a majority stake in Slovakia's largest power producer Slovenske elektrarne.

In 2019, the Slovak Republic committed to achieve carbon neutrality by 2050. SR has reasonably balanced the share of nuclear fuel and fossil fuels in gross domestic consumption. The development of an energy policy in the Slovak Republic is aimed at optimizing the energy mix so that GHG emissions and pollutants are reduced as much as

Yes, our batteries are designed to be scalable. You can easily expand the capacity of your PowerPlus battery system to meet your growing energy storage needs. Whether you start with a smaller system and later expand it, or plan for future expansion from the beginning, PowerPlus provides flexibility and adaptability.

Simple Energy Storage Solutions for all kinds of Applications EXPLORE OUR COMPLETE PRODUCT COLLECTION BESS BATTERIES CABINETS BESS Systems Power On. Anytime. Anywhere. Our "all-in-one" options focus on ...

Our LiFe12033P is a flexible and sustainable energy storage solution ideal for SWER line support or replacement, agricultural applications, and factories. As a bonus, the LiFe12033P is even compatible with Selectronic SP Pro.
