

Who is powertica commodities AG?

Powertica Commodities AG is a dynamic trading company based in Liechtenstein that trades electricity, gas, emission allowances, oil and financial derivatives on key European and global markets. Thanks to its branch office in the Czech Republic, it effectively connects local and international energy markets.

What commodities does powertica trade?

We trade in power, gas, emission allowances, oil and currency derivatives. We are a member of the European Federation of Energy Traders. Powertica Commodities AG is a trading company that trades commodities on European markets. The commodities traded include mainly electricity, gas, emission allowances, oil and financial derivatives.

What is the powertica group?

The Powertica Group was formed by spinning off the Sev.en group's trading companies. Our ambition is to become a leader in both global commodity trading and in the supply of energy to large corporate and institutional customers on local markets.

I am in energy trading since 2013. I started my career in CEZ when I won the CEZ trading...
