

Puerto Rico container batteries

I'm currently trying to find a way to ship some batteries to my family in Puerto Rico too. I tried contacting FedEx Dangerous Goods group and they can ship them but the price is very high. I will keep searching, and if I find a way, I will let you know too.

This would be considered UN3090 Lithium Metal Battery if I'm reading the page right. You're going to find it hard as a private person to get this moving as the battery will need to be packed by someone with an IATA certification.

Puerto Rico Exclusive Distributors Finding the right heavy equipment for your business requires specialized insight if you hope to find the most productive, cost-effective machine.
