PV Solarize is a leading solar company in India that is committed to delivering premium-quality solar solutions at affordable rates. Our mission is to transform the way you harness energy by offering a range of cost-effective and energy ...

Polycrystalline solar panels consist of multiple photovoltaic cells, and each cell contains silicon crystals. They are a slice cut from a block of silicon, consisting of a number of crystals. These crystals make the panels function like a semiconductor and thus generate electricity. Polycrystalline solar panels are eco-friendly.

At Luminous, buy Solar Panels for homes, offices, shops, and commercial spaces in 12v/24v at an affordable price range. Browse through our website today. Customer Care: +91-9999933039 / 9667662904
