REFURBISHMENT. The ex-Royal Mail Ship which acted as the lifeline to the island of St. Helena, has been under Extreme E's stewardship for more than two years and during this time has undergone an extensive multi-million euro renovation process, including a comprehensive mechanical overhaul as well as a full refurbishment of the interior alongside a fresh livery and ...

St. Helena Energy Options. St. Helena City Council has voted to offer electricity ratepayers within the City of St. Helena additional choices for their electricity. On November 24, 2015, City Council voted to request membership into MCE, a local, not-for-profit community choice electricity provider. The request was approved by MCE's Board of ...

1 review of MAIN ST ELECTRIC "Rick gets five stars for exceptional customer care. I used Main Street Electric two year ago for a small expansion and renovation to our home in a remote area of the Napa Valley. He did an exceptional job, passing all inspections with flying colors and he was a treat to work with: intelligent, professional, friendly, worked really well with the other contractors ...
