Is Western Sahara a disputed territory?

Western Sahara[a]is a disputed territoryin North-western Africa. It has a surface area of 272,000 square kilometres (105,000 sq mi). Approximately 30% of the territory (82,500 km² (31,900 sq mi)) is controlled by the Sahrawi Arab Democratic Republic (SADR); the remaining 70% is occupied and administered by neighboring Morocco.

What happened between Morocco and the Western Sahara?

The conflictbetween Morocco and the Western Sahara's pro-independence Polisario Front goes back to the end of Spanish colonial rule. It was ignited in 1975 after Spain relinquished control of Spanish Sahara, later known as Western Sahara.

Where is Western Sahara located?

Western Sahara is located on the north-west coast in West Africa and on the cusp of North Africa, bordering the North Atlantic Ocean to the northwest, Morocco proper to the north-northeast, Algeria to the east-northeast, and Mauritania to the east and south.

Why is the Sahara desert so dangerous?

The harsh and isolated desert with frequent sandstorms, limits livelihood and economic opportunities. A conflict between Morocco and the Polisario Front over Western Sahara's sovereignty has gone on since Spain withdrew from the area in 1975.

Does the disputed territory of Western Sahara have a resurgence?

The long-dormant conflict over the disputed territory of Western Sahara has experienced a resurgence in recent years, posing new challenges to regional stability.

Which country controls Western Sahara?

Morocco controls territory to the west of the berm (border wall) while the Sahrawi Republic controls territory to the east (see map on right). Western Sahara was partitioned between Morocco and Mauritania in April 1976, with Morocco acquiring the northern two-thirds of the territory.

The decades-long Sahrawi displacement stands out as one of the world's most enduring, protracted, and overlooked refugee situations. Displaced by the 1975 failed decolonization process of Western Sahara by Spain and the subsequent invasion by Morocco and Mauritania, ethnic Sahrawis have established five refugee camps and an administrative center in Tindouf ...

2 · Western Sahara was an overseas Spanish colony from the 1880s until the mid-1970s. Mauritania and Morocco both laid claim to the territory after Spain withdrew, partitioning it between them.
