

Mashriq Energy is a quality-oriented international company providing solar photovoltaic solutions. We are on a mission to accelerate the transition to renewable energy by providing professional energy consulting services, industrial (EPC) services, and increasing public energy literacy and ...

Our subsidiary Mashriq Energy Consulting (MEC) provides consultations on the feasibility of renewable energy (RE) projects throughout the MENA region. Whether wind, geothermal, ...

The organisation behind the first cooperative solar power plants in Serbia aims to show that green transition is not only "greenwashing", but can bring communities together, its representative...

Mashriq Energy is a quality-oriented international company providing turnkey solar photovoltaic solutions. We are on a mission to accelerate the transition to renewable energy by providing ...

The key motivation behind the mapping of Serbia's solar potential is to accelerate the sustainable use of solar energy in the country, thus providing significant support to the energy transition and energy security of ...

The key motivation behind the mapping of Serbia's solar potential is to accelerate the sustainable use of solar energy in the country, thus providing significant support ...

Serbia has taken a bold step toward renewable energy with a newly signed agreement to build 1 GW of self-balancing solar power plants. This groundbreaking project, led by the Hyundai Engineering and UGT Renewables consortium, marks a significant shift in Serbia's energy strategy.

The contract is the latest in a line of solar projects backed by Serbia's Ministry of Mining and Energy this year, which includes plans for a 1 GW solar panel factory and another 500 MW of...

The contract is the latest in a line of solar projects backed by Serbia's Ministry of Mining and Energy this year, which includes plans for a 1 GW solar panel factory and ...

The key motivation behind the mapping of Serbia's solar potential is to accelerate the sustainable use of solar energy in the country, thus providing significant support to the energy transition and energy security of Serbia, and helping tackle the current energy crisis, according to The Nature Conservancy.

Mashriq Energy is a quality-oriented international company providing turnkey solar photovoltaic solutions. We are on a mission to accelerate the transition to renewable energy by providing professional energy consulting services, industrial (EPC) services, and increasing public energy literacy and awareness.

Serbia mashriq energy your solar energy partners
