Sierra Leone solar panel installation business plan

Does Sierra Leone have a solar energy resource?
Ministry of Finance The Government of Sierra Leone (GoSL) recognises that the country is endowed with a significant solar energy resource. This potential however remains largely untapped.

What is the energy policy of Sierra Leone?
In the autumn of 2013 the Government of Sierra Leone issued a National Energy Policyand a Strategic Energy Plan for the coming years. Although fossil fuels will remain the main energy source for the country in the short- term,according to the policy,renewable energy sources will become more important in the future.

What is the business case for fostering strategic partnerships in Sierra Leone?
What is the business case in Sierra Leone for fostering strategic partnerships between telecommunication companies/mobile money operators and solar distributors? Delineate pilot opportunities that serve the larger solar community with guidance on PAYG integration and application.

Do Sierra Leone laws apply to a project financed infrastructure project?
In most cases the Government insists on applying Sierra Leone laws exclusively to the entire IPP project, but because Sierra Leone's laws are not sufficiently developed to deal with the complexities of project financed infrastructure contracts Sierra Leone, investors and especially lenders, insist that the laws of other jurisdictions be applied.

What is the National Development Strategy of Sierra Leone?
This is one of the key documents on the overall national development strategy of Sierra Leone, including, among other areas - the energy and solar generation sector. It is a recent document, indicating the actual strategic direction of the Government with clear targets and policy actions.

Who regulates the energy sector in Sierra Leone?
The primary law regulating energy sector in Sierra Leone is the National Electricity Act 2011("Electricity Act"). This Act incorporates EGTC and establishes EDSA,both of which started operations in 2015. It also sets the legal provisions under which those entities are governed,managed,functioning and are funded.
