

The line will produce up to 180.000 battery packs in 3-shift operation per year, corresponding to a total capacity of 1 GWh. The battery packs can be used as stationary storage and as traction batteries.

The Slovenia-headquartered company was recently in the news for a 20MWh project it commissioned in Austria, which is the country's largest, and it is deploying the largest battery storage systems in neighbouring ...

Slovenian state-owned power utility Holding Slovenske Elektrarne (HSE) is about to begin expanding its Prapretno solar power plant. It intends to sell 10% of the ...

Slovenian battery manufacturer TAB (TAB tovarna akumulatorskih baterij d.d.) is opening the first gigafactory for lithium-ion energy storage systems (ESS) in Prevalje in 2024. The Austrian company Rosendahl Nextrom GmbH, with its brand BM-Rosendahl, will develop, build, and supply the highly automated line for module and pack assembly.

Electricity Generation Company (Malawi) Limited (EGENCO) has revealed plans for a groundbreaking ceremony marking the commencement of the 10 Megawatt Salima Solar Power Project. Set to take place on Wednesday, November 22, 2023, at Nanjoka in ...

June 15, 2023: The European Commission said on June 9 it had approved a EUR150 million (\$163 million) state-aid scheme to develop battery storage and renewables in Slovenia. This follows a spate of recent approvals for EU member states to support battery storage-related projects, amid concerns the bloc is lagging behind the US and Asia in ...

A 10MW/50MWh battery energy storage system (BESS) spread across two substations in Slovenia has started a trial and testing period. The BESS projects are located at the Okroglo and Pektre substations and started ...

June 15, 2023: The European Commission said on June 9 it had approved a EUR150 million (\$163 million) state-aid scheme to develop battery storage and renewables in Slovenia. This follows ...

New company NGEN appears to have introduced the Powerpack battery to central Europe in a EUR15 million, 12.6 MW/22.6 MWh project in the northwest of the country which is the first of two planned ...

A 10MW/50MWh battery energy storage system (BESS) spread across two substations in Slovenia has started a trial and testing period. The BESS projects are located at the Okroglo and Pektre substations and started their trial period this month, the company launching them announced.

Slovenia solar industrial battery

The Slovenia-headquartered company was recently in the news for a 20MWh project it commissioned in Austria, which is the country's largest, and it is deploying the largest battery storage systems in neighbouring Slovenia and Croatia, totalling 70MW/140MWh and 50MW/100MWh respectively.

Slovenian battery manufacturer TAB (TAB tovarna akumulatorskih baterij d.d.) is opening the first gigafactory for lithium-ion energy storage systems (ESS) in Prevalje in ...

Battery maker TAB Mezica plans to open Slovenia's first gigafactory for the production of battery storage systems in the northern town of Prevalje in 2024. The EUR18 million investment is expected to create up to 100 jobs. "The investment is the most important milestone for the TAB group.

Slovenian state-owned power utility Holding Slovenske Elektrarne (HSE) is about to begin expanding its Prapretno solar power plant. It intends to sell 10% of the electricity from the second phase to the municipalities of Trbovlje and Hrastnik, at a price equal to the production cost.

Electricity Generation Company (Malawi) Limited (EGENCO) has revealed plans for a groundbreaking ceremony marking the commencement of the 10 Megawatt Salima Solar ...

The Talum launch comes shortly after Ngen, in cooperation with hardware retailer Merkur, launched the sale of Tesla household batteries. These are 6 kilowatt solar ...

The Talum launch comes shortly after Ngen, in cooperation with hardware retailer Merkur, launched the sale of Tesla household batteries. These are 6 kilowatt solar units with a battery capacity of 14 kilowatt hours. Ngen was established two years ago.
