

Solar system contact number Myanmar

Is there solar power in Myanmar?

Myanmar has high solar irradiation levels in many areas, but no large-scale solar power systems have been installed due to the largely mountainous terrain, protected areas, and limited grid system. Solar power is currently an option only for rural and off-grid applications in Myanmar.

Who is Myanmar Solar power trading?

Myanmar Solar Power Trading Co., Ltd is established in 2011 and we are one of the leading full-service providers for C & I projects, residential, industrial and large scale solar projects in Myanmar. From a single point of contact, we provide solar PV designs, calculations, consultations, installations and repair and maintenance services as well.

Are solar cells used in Myanmar?

Myanmar, being a country with abundant sunshine, has the potential for solar energy. However, the high cost of solar energy limits its availability for some. Researchers have been conducting research on solar cells in Myanmar to address this issue.

Therefore, Shwe Kabar focus on solar business sector and registered the company as Shwe Kabar Energizers Co., Ltd in 2022. Shwe Kabar Energizers company has successfully achieved in 1,000 projects for SME businesses and Home usage Solar Energy systems at the locations of Yangon, Mandalay, Bago, Mawlamyine, Patheingyi, Myawati and other divisions.
