Baoding Songli communication engineering Co.,Ltd. City Product Center_1 Songli Is a professional company of power supply, power module, power distribution cabinet and so on.

Liebert® FDC Power Distribution Cabinet. Integrate power distribution into the rack environment, with the sized Liebert® FDC. The stand-alone cabinet blends physically and cosmetically with rack equipment, while offering the distribution capabilities of a much larger unit.

The influx of client/server rack equipment is changing the content of data centers. There are more devices than before, and they consume less power than their predecessors. Therefore most Power Distribution Units (PDUs) run out of circuit breaker poles before they run out of rated capacity. The Liebert RDC extends the functionality of the PDU by packaging 168 poles (four ...
