Who is Sun Africa?

The sun's power knows no bounds - and neither do we. Sun Africa's sister company, UGT Renewables, is focused on delivering clean energy solutions throughout Eurasia and Latin America. With our combined strength, we're changing the world for the better - one utility-scale solar project at a time.

How strong is Sun Africa?

We're only as strong as the country we make connections with. Sun Africa is at the forefront of clean energy in Africa, providing solutions for those seeking to develop a solar project or invest in renewable energy.

Why should you choose Sun Africa?

We deliver competitive, sustainable renewable energy solutions that improve quality of life, protect our environment, and streamline processes for leaders and decision makers alike. With tens of billions of dollars worth of projects under our belt, Sun Africa is at the center of Africa's push to meet growing energy needs sustainably.
