

Sunfi solar Slovakia

Who is sunfi for?

You own a business that sells and/or installs solar systems You represent your company for group solar system interest SunFi builds energy financial technology that optimizes and matches the right clean energy solution to meet your needs. From payment plans to installation support and after-care service, we've got you covered.

Does sunfi manufacture or install solar panels?

SunFi does not manufacture or install solar panels, but it gives small solar businesses expert advice on choosing the best manufacturers in the market. By filling the credit gap, SunFi wants to eliminate the need for solar providers to seek credit from financial institutions.

How do I get an offer from sunfi?

SunFi offers an affordable and reliable solution that shields you from the financial burden of rising fuel and electricity expenses. To receive a tailored offer, complete our "Get Offer" form and share your information and energy requirements. We'll provide you with recommended solutions from our trusted provider network.

Why should you choose sunfi?

SunFi offers an affordable and reliable solution that shields you from the financial burden of rising fuel and electricity expenses. As fuel prices continue to skyrocket and electricity tariffs increase, protecting your wallet from these costs is important.
