

Will Ireland's future energy be secure?

The report sets out that Ireland's future energy will be secure by moving from an oil- and gas-based energy system to an electricity-led system, maximising our renewable energy potential, flexibility and being integrated into Europe's energy systems.

What is Ireland's energy security package?

This energy security package sets out a strategic approach to ensure a secure transition for Ireland's energy systems in line with its climate objectives. It considers lessons, in particular, from the disruption to European energy supplies following the invasion of Ukraine and the domestic capacity shortfall experienced in the electricity sector.

What is energy security in Ireland to 2030?

Last updated on 25 January 2024 Energy Security in Ireland to 2030 outlines a new strategy to ensure energy security in Ireland for this decade, while ensuring a sustainable transition to a carbon neutral energy system by 2050.

What is sure tax relief?

SURE is a tax relief that provides a refund of Income Tax that you paid in previous years. You can claim the relief if you are starting your own business and you are: a person who has recently been made redundant. The general conditions for SURE are that you must: keep the purchased shares for at least four years.

How will the 2024 energy year impact Ireland?

This could have several implications for the 2024 energy year in Ireland. Opportunities for renewables growth will need to be consolidated with issues like mandates for energy efficiency and accommodating for large energy users. We need to ensure that short-term challenges do not restrict opportunities for long-term growth.

What are the conditions for sure?

The general conditions for SURE are that you must: keep the purchased shares for at least four years. There are a number of specific conditions that the individual and the company must meet in order to qualify for this relief. More details on when an investment is a qualifying investment can be found in Relief for investment in corporate trades.
