Integrally die-cast aluminum alloy heat dissipation structure, efficient dissipating heat without a cooling fan. Truly achieving a maintenance-free lifespan. ThinkPower inverters consistently deliver exceptional reliability and efficiency.

We are excited to announce the sale of Think Pink Bahrain's 20th Anniversary Gala Dinner tickets. Held at the Gulf Hotel & Convention Centre on the 25th of October, our Platinum Sponsors include RCSI Bahrain, Gulf Hotels Group, Bahrain Rugby Football Club and GBI. Doors open from 7 pm, and the dress code is BlackTie or Traditional Dress.

Consider redundant (backup) systems whenever possible, in conjunction with your key service providers. For example, in the event of a power outage, does the budget support housing backup generators and, if not, what would be the most likely electrical service available? If power were lost for 1 day, 1 week, etc. what would be the financial impact?

Combined with US technology and Chinese top quality control process, our products reach the balance of quality and price. Certified by IEC(International), VED/EN(Europe), AS4777(Australia), G83/1(UK), Inmetro(Brazil) and other ...
