How does cloudsolar work in Barbados?

With CloudSolar,you can purchase digital solar panelsin low-cost,diversified solar farms all across Barbados. Our business is a new,no-hassle and seamless method to earn money from the sun,without physically having to install a solar panel on a roof.

Should you buy a solar PV system in Barbados?

One of the biggest, if not the biggest hurdle to further solar PV penetration in Barbados is the upfront cost of a system. When you think about the fact that the cost is essentially the prepayment of 25-30 years worth of electricity it makes sense that the price is "high". If you could purchase a ... Continue reading ->

Can Barbadians earn passive income from solar panels?

Now a very similar model is available in Barbadoswhich allows Barbadians to own solar panels within an operating solar project and thereby earn solar passive income for 25 ...Continue reading -> Getting involved in the funding of the global solar power transition has never been easier.

In order to minimise the impact of this expense, the Government of Barbados (GoB) in the Barbados National Energy Policy (BNEP) 2019 - 2030 has outlined a plan for transitioning the country from a fossil fuel dependant ...
