ORAIMO On a normal day of May 2013, we a group of people who believe in the spirit of exploring created Oraimo. From the very beginning, we want to do something different, something that can change people's lives so that they can explore the wonderful world. To change the world, we decided to start with smart accessories and to keep exploring.

oraimo solar panel adapts two fast recharge ways: it can be fully recharged in 4-6 hours by solar charging, and 4 hours by AC adaptor charging, at least 15% more efficient than competitors. Made in polycrystalline and stands with an aluminium frame, the 12W Solar Panel having up to 25-year service life helps protect the battery from over-charge ...
