

United Kingdom ortus solar

Who is ortus energy?

Our experienced management team have delivered over 300MWp of distributed energy generation in Europe, USA, and India. Ortus Energy specialises in distributed energy projects, saving our clients money on their bills and creating energy security.

Why should you choose ortus energy?

Ortus Energy specialises in distributed energy projects, saving our clients money on their bills and creating energy security. And more... You simply benefit from reduced electricity rates, allowing you to save money on your energy bills. When this electricity is being purchased at a cheaper rate than from a traditional grid supplier.

Who are Alistair & Tom at Ortus energy?

Alistair has delivered over 300MW of solar assets over 3 continents. Tom is COO at Ortus Energy having joined the company early in 2020. Tom has always had a passion for sustainability and equality having previously worked in Corporate Social Responsibility and Water Sustainability before moving into the Renewable Energy industry 7 years ago.

What does Peter do at Ortus?

Peter heads up Business Development at Ortus and is also responsible for ensuring that throughout the company our behaviours reflect our values. Peter has had a long career working at a senior level, in the energy efficiency, fuel poverty and renewable energy industries, building delivery partnerships and managing stakeholder relations.
