

Vivo energy group Denmark

Who is Vivo Energy?

Vivo Energy is a Shell and Engen Petroleum licensee and sources, distributes, markets and supplies fuels and lubricants. It was listed on the London Stock Exchange and the Johannesburg Stock Exchange and was a constituent of the FTSE 250 Index and of the JSE All Share Index until it was acquired by Vitol Group in July 2022.

Will Vivo Energy take over Shell & Engen?

Vivo Energy PLC, which sells fuels and lubricants under the Shell and Engen brands in 23 African countries, said the takeover of the group by its largest shareholder Vitol Group has cleared all regulatory and antitrust hurdles. The deal, which was originally announced in November 2021, will become effective on July 25, 2022.

Who is Vivo Energy Senegal?

Vivo Energy Senegal is the company that distributes and markets Shell brand fuels and lubricants, a brand that has been present in Senegal since 1928. We offer superior quality Shell differentiated fuels and lubricants at the forefront of performance and innovation, for motorists and businesses in all sectors, with a tailor-made service.

Who is Vivo Energy Kenya?

Vivo Energy Kenya was established in November 2012, following the acquisition of Kenya's downstream business from Shell. Vivo Energy Kenya is a market leader and serves all market segments from retail to commercial customers with a full range of automotive fuels, lubricants, aviation fuels, liquefied petroleum gas (LPG), and black fuels.

Is Vivo Energy partnering with shell?

"It has been a pleasure to partner with Shell in Vivo Energy," said Chris Bake, chairman of Vivo Energy and a member of Vitol's Executive Committee. "The Shell brand is well known and highly respected across Africa, and Vivo and its customers will continue to benefit from its use," he added.

How many countries does Vivo Energy operate in?

However, in March 2019, Vivo Energy completed a transaction with Engen Petroleum, adding eight new countries and 230 Engen-branded service stations to its network. The new markets for Vivo Energy were Gabon, Malawi, Mozambique, Rwanda, Tanzania, Zambia and Zimbabwe; accordingly Vivo operates in 23 countries.
